Mt. Vernon RECenter Seeks Classroom Artist

There's never a bad time to redecorate! In fact, at Mount Vernon RECenter there was never a better time for a bit of painting than right now, during the Healthy Art Project. This program will beautify one classroom at this Park Authority facility through decorative painting. The search is on for a wonderful concept and great talent, willing to swing a brush!

We are looking for original designs, either realistic, stylized or abstract that will blend with the existing structure. A mural need not be complex, however, the artist must use latex or acrylic paints only and must have a flexible schedule in order to paint the room when it is not in use. Clubroom three is a multi-purpose room used for children's and adult activities. The dimensions are 18 by 24 feet.

The winning artist will receive a \$100 honorarium, and all supplies will be provided by the Park Authority to complete the project. In addition, the artist will be featured in Park Authority publications and receive local recognition. For more information on how to enter, please call 703-768-3224 or visit us online at www.fairfaxcounty.gov/parks/rec/mvrec.htm. The deadline to submit a proposal is March 1, 2006.
